**Benefitting patients served by the
St. Louis Regional Chapter of The ALS Association**

Chuck Figge

Charles "Chuck" Figge was a native of the Riverbend area, who graduated from Alton High School in 1952. In 1984 Chuck opened The Archery Center in Alton and operated it for twelve years. Chuck was an avid hunter, fisherman, and golfer who enjoyed playing at all of the local courses. Chuck was diagnosed with ALS in August of 2006 and passed away on October 11th, 2006. This tournament was created in his memory by his family and friends to help the St. Louis Chapter of The ALS Association in their fight against ALS. We look forward to having this tournament for many years, and we thank you for your participation.— Ruth Figge
